In February of 2008, Mechanical wrapped up its work on a new indoor water park attached to the Key Lime Cove Hotel and Convention Center in Gurnee, IL.

The \$130 Million water resort measures approximately 65,000 square feet. It features two giant body slides measuring over 500 feet, two tube slides, a lazy river, three kiddie pools, a wave pool, spa, superbowl slide, and an Aquaplay Rain Fortress play feature.

Mechanical's \$2 Million contract involved installing all pool mechanicals and piping, Whitewater Wave Equipment, Whitewater Rain Fortress, and five Whitewater water slides.
