DATA CENTERS

**Customer:** JT Magen

**Contract Amount:** \$425,513

**Location:** 915 Technology Parkway  
Rochelle, IL

Mechanical was the Plumbing contractor for the Project David Data Center in Rochelle, IL.

Construction began in August of 2008. Mechanical furnished and installed all above-ground and underground plumbing.

The underground and aboveground plumbing for this data center consisted of a domestic water booster tank, a secondary well water, water softener, and a water heater.

Mechanical was proud to be a part of this project and it was successfully completed on schedule in December of 2008.
