RETRO-COMMISSIONING

INDUSTRIAL TRADES

DATA CENTERS

Customer: Ringland Johnson

Contract Amount: \$1,066,803

Location: Oregon, IL

In July 2009, Mechanical Inc. began work on the renovations for the Ogle County Courthouse Administration Offices.

We installed HVAC piping, ERU, heat pumps, Building Management System, and ice melt system for handicap accessible ramp. We also installed the louvers in the cupola to restore the building to its original historical features.

Mechanical Incorporated is proud to have worked on this Courthouse renovation project and to have completed it on schedule in June 2010.
