Mechanical Incorporated began work in August 2009 and is on schedule to complete the project for the Otter Creek Aquatic Center in September 2010.

Mechanical is performing work for the aquatic systems for competition pool, activity pool, lazy river, and wading pool.

The aquatic scope of work includes all piping, gutters, play features, excavation, painting, filtration, and equipment.

Mechanical has installed over 15,000 feet of underground piping for this job.

Mechanical is proud to be a part of this project and its success.
