In 2006, Mechanical completed the piping for an indoor waterpark at the Sheraton Hotel in Arlington Heights, IL.

The new CoCo Key Water Resort measures 65,000 square feet. It includes a lazy river, plunge pool, activity pool, and children's pool. It also features an indoor/outdoor whirlpool, outdoor splash pad, and an indoor splash pad with a whitewater play feature.

Mechanical was honored to complete this work for Neuman pools and takes pride in its aquatic experience.
