Customer: ITG Construction Services, LLC

Contract Amount: \$1,961,117

Location: Butte, Montana

Mechanical was the HVAC and plumbing contractor for the construction of Basin Creek Energy Facility completed in February 2006. This \$30 Million facility was designed to provide electrical energy during peak demand periods.

We performed the HVAC and plumbing work as well as installed process systems for natural gas, exhaust stacks, and engine cooling and lubrication.

Despite a compressed schedule, congested building, and working from a remote location, we pulled through with success.
