**Customer:** Dial Corporation  
**Contract Amount:** \$1,251,770  
**Location:** Montgomery, IL

Mechanical is under contract with Dial Corporation who in turn purchased the Right Guard line of deodorants from Gillette.

Installation of tank farm tanks, large skids, pumps, pre-piped distribution bridges, pipe, valves, and fittings are all part of our contract requirements. Orbital welding of sanitary stainless steel pipe and welding certifications are required.

Scheduling of each process milestone requires manpower shifting and coordination to complete multiple tasks on a timely basis. Project additions and redesigns are approaching \$2,000,000.00 in overall value of contract.
