Customer: Champaign Park District
Contract Amount: \$1,388,034
Location: Champaign, IL

Mechanical's aquatic experience includes the installation of an outdoor waterpark for the Champaign Park District.

We completed the underground piping running from all pools to a new mechanical building. We also furnished new filters, pumps, and other equipment in the mechanical building.

Completed in 2007, the Sholem Aquatic Center features a lazy river, tube and body slide, activity pool, and kiddie pool.
