Customer: Chillicothe Park District
Contract Amount: \$1,360,000
Location: Chillicothe, Illinois

Mechanical takes pride in its work for the 2006 renovation and addition to Shore Acres Park Pool. The \$2 Million project entailed renovating the existing leisure pool and adding two body slides onto it. Also a small activity pool was added with a two-level play feature.

We installed new pumps, filters, and piping in the leisure pool as well as a new pump and piping in the activity pool.
